*This one-day leadership training workshop is open for anyone who is interested in becoming a leader in any level. It is a low cost training, and is affordable for everyone. Our trainers/presenters are experienced and hold high ranking positions in the federal agencies, and some are independent trainers outside the federal agencies. Every employee is encouraged to receive continued education that would help them perform better on the job, and give them opportunity to advance their career in workplace.*

***Remote Access via Adobe Connect will be provided only to the attendees outside of DC metro. When register online, please indicate the region you are in. After a validation of your region code, FAPAC will email the access link one day prior to the event date. Sign language interpreter is available upon request. Walk-in registration is accepted upon seats availability. A certificate of completion will be provided for those attending at least two of three one-day workshops in series.***
