Dear FAPAC members, family, and friends,

I hope you and your loved ones are doing well and staying strong. I have missed being able to connect with you in person. Since March, our world has drastically changed and FAPAC continues to conduct training and professional development to our members virtually. Though we can’t be together this year, I thought this would a great time to reach out and let you know that the FAPAC National Board of Directors (NBOD) and National Board of Operations (NBOO) are thinking of you!

The end of the fiscal year coincides with the term of the NBOD and NBOO, which also means that my term as your President will be ending. I would like to take this moment to express my heartfelt appreciation and commend the current National Board of Directors, the National Board of Operations/Committee Chairs, and the past leaders of this great organization. You are recognized for your support, dedication—thousands of hours of volunteer work, and your continued pursuit towards bigger and better things for FAPAC. Thank you from the bottom of my heart.

The tenure for the new team in Fiscal Year 2021 will begin on October 1, 2020 through September 30, 2022. Nominations and election run from August to September, and formal announcement of the newly elected officials will be announced on September 29. The new President along with the NBOD will be appointing NBOO/Committee Chairs in October. It is my hope that you will join the NBOO and volunteer to be part of the FAPAC Leadership team!

This fiscal year marks several historical moments for FAPAC with three major accomplishments!

1. Chartering of the FAPAC Department of Transportation (DOT), under the leadership of the Chapter President, Thanh Trang;
2. Chartering of the FAPAC American Samoa Chapter, under the leadership of the Chapter President, Theodora Meridith; and
3. Chartering of the FAPAC Department of Defense (DOD) Chapter, under the leadership of the Chapter President, Katherine Toth.

FAPAC is very excited and proud to celebrate its 35th Anniversary with our three newest chapters!

Sincerely,

Olivia Adrian, FAPAC President

On June 26th, Read Admiral Joseph M. Vojvodich of the U.S. Coast Guard, a long-time member and supporter of FAPAC, held his official retirement ceremony in Washington DC. Because of the COVID-19 pandemic, this event was conducted virtually while in-person attendance was minimized to reduce travel risks. Despite the social distanced measures, this did not prevent the conveyance of Admiral Vojvodich’s leadership, dedication, and devotion to duty over his 35 years of service.

Just last fall, October 2019, Admiral Vojvodich was awarded the FAPAC President Award of Unsung Hero (pictured left). As stated by President Olivia Adrian who attended virtually, “It was a very emotional and overwhelming feeling when the Coast Guard Commandant, Admiral Karl Schultz, recognized Admiral Vojvodich not only for his service to country, but impact on Asian Americans and Pacific Islanders in government service including FAPAC. Admiral Vojvodich contributions to FAPAC as a leader, mentor, and role-model is unmatched and he will be missed.”

A final program progress and feedback session via conference call in early September is being planned. All CDP program activities and requirements are due September 25. On July 1st, President was invited to participate in a discussion with Secretary of Defense Dr. Mark T. Esper regarding the several initiatives he recently directed the DoD to take to improve diversity and inclusion across the entire Department and the Military Services.

The meeting included a widely diverse group of national affinity organizations that collectively work to advance diversity and inclusion in the military and veteran community. During the discussion, Secretary Esper also heard ideas from the organizations and expressed that the Department of Defense wants to hear from many sources, both internal and external, about what DoD can do to improve diversity and inclusion.
